What is Intimacy?

When people hear the word intimacy, many equate it to sex. True intimacy is not found in merging our bodies for sex. Intimacy involves the mixing of our life with another's, a mingling of souls, a sharing of hearts. This is something we all long for because it's how God made us. We were designed to connect. Intimacy means "In-To-Me-See".

Throughout this weekend workshop, we will discuss various types of intimacy and the challenges of experiencing true intimacy:

- **Emotional Intimacy** – awareness of our self (thoughts, feelings, experiences) and our relationships with others, and wounds that can prevent connection
- **Spiritual Intimacy** – our relationship with God and how that impacts our personal relationships
- **Physical Intimacy** – discovering what is necessary for true sexual intimacy, understanding it's more than a physical experience

Statement of Faith

As a professional organization, we set forth the following beliefs which have been agreed to by the professional and support staff of New Life Ministries. These beliefs are essential to our treatment philosophy and ministry.

- We believe the Bible to be the inspired, the only infallible, inerrant, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. He has revealed Himself in creation, history, and in Jesus Christ.
- We believe in God's creation of the world and humankind and in humanity's rebellion and subsequent depravity.
- We believe in the person and work of Jesus Christ, including His deity, His virgin birth, His sinless life, His true humanity, His miracles, His substitutionary death, His bodily resurrection, His ascension to heaven where He sits at the right hand of the Father, and in His coming personal return in power and in glory.
- We believe that for the salvation of the lost, sinful man, regeneration by the Holy Spirit is absolutely essential. We believe that salvation is by grace through faith in Christ as one's Savior.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to grow in the knowledge of God and Christian obedience.
- We believe in the resurrection of both the saved and the lost—the saved unto the resurrection of life and the lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ and in the importance of the church for worship, service and missions.
- We believe all human life is a sacred gift from God and is to be protected and defended from conception to natural death. We will uphold the sanctity of life and bring the grace and compassion of Christ to those who face the realities of previous abortion, unwanted pregnancy, and end-of-life illness.
- We believe in the importance of marriage. Specifically, that marriage is a covenant relationship between a man and a woman (Genesis 2:24), and that a person's sex (male or female) is determined by God in the womb (Psalm 139:13) and revealed at birth.
- We further believe that marriage is a covenant relationship that is mirrored in the relationship between Christ and His Church (Revelation 19:7, 21:2, 21:9). And although the Bible states that divorce is permissible in two unusual circumstances (adultery as described in Matthew 5:31, and abandonment of a Christian by a non-Christian as described in I Corinthians 7:15), we will do all we can to preserve marriage.
- We believe that all psychological principles should be thoroughly evaluated through the grid of Scripture, and that Scripture always holds the final authority.
