

HEALING IS A CHOICE

GROUP STUDY

TEN DECISIONS THAT WILL TRANSFORM YOUR LIFE & TEN LIES THAT CAN PREVENT YOU FROM MAKING THEM

“Do you want to get well?” That is the premise of John chapter 5 when Jesus asks the crippled man near the pool in Jerusalem. Jesus is making a point here that healing, much like forgiveness, is a choice that is needed to be made.

The **Healing Is a Choice** small group will guide you through the ten decisions that can be made and the ten lies that must be rejected to open the door for God’s healing. When we buy into the lies that we have been conditioned to hear and accept as truth, we are stunted into never truly being able to fully experience the healing that God has in store for us. We know that lies such as, “Time heals all wounds” are completely false! The number of grown adults suffering from effects of childhood wounds is staggering. Healing is a choice. It is God’s choice, but we have to continue to make healing choices if we are to experience the gifts that God has for us. The **Healing Is a Choice** small group study offers you that opportunity.

Healing on all levels is a miraculous gift from God, but it is a function of our own decisions and beliefs as well. When we make the right choices, and reject the lies, we can find the way to wholeness again.
